

**N** Zipper Flake

(1,5,9,13,17,21,25)

The diagram shows seven skydivers in a yellow and green formation. They are arranged in a zig-zag pattern, with each diver's arms and legs extended to connect to the neighbors, forming a continuous chain that resembles a zipper.

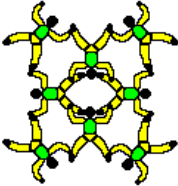

**O** Compressed Accordion

(2,6,10,14,18,22,26)

The diagram shows seven skydivers in a yellow and green formation. They are arranged in a diagonal line, with each diver's arms and legs extended to connect to the neighbors, forming a compressed accordion shape.

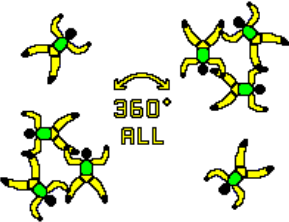

**8** Frisbee

(3,7,11,15,19,23,27)

The diagram shows seven skydivers in a yellow and green formation. They are arranged in a square pattern, with each diver's arms and legs extended to connect to the neighbors, forming a Frisbee shape.

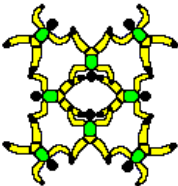

(inter)

360°  
ALL

The diagram shows four skydivers in a yellow and green formation. They are arranged in a square pattern, with each diver's arms and legs extended to connect to the neighbors, forming a Frisbee shape. A curved arrow indicates a 360-degree rotation of the formation.

Frisbee

(4,8,12,16,20,24,28)

The diagram shows seven skydivers in a yellow and green formation. They are arranged in a square pattern, with each diver's arms and legs extended to connect to the neighbors, forming a Frisbee shape.
