

**A** Head-down Star

(1,5,9,13,17,21,25)

The diagram shows a formation of seven skydivers. Two are in the center, facing each other with their heads down. They are connected to four other skydivers who form a rectangular shape around them, also with heads down. The skydivers are represented by blue outlines with yellow circles for heads.

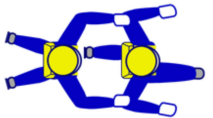

**E** Vice Versa

(2,6,10,14,18,22,26)

The diagram shows a formation of seven skydivers. Two are in the center, facing each other with their heads up. They are connected to four other skydivers who form a rectangular shape around them, also with heads up. The skydivers are represented by blue outlines with yellow circles for heads.

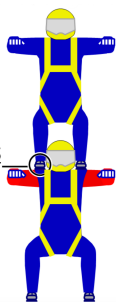

**N** Half Rebel

(3,7,11,15,19,23,27)

The diagram shows a formation of seven skydivers. Two are in the center, facing each other with their heads up. They are connected to four other skydivers who form a rectangular shape around them, also with heads up. The skydivers are represented by blue outlines with yellow circles for heads.

**F** Totem

feet dock on top of same shoulders (between neck and arm)

(4,8,12,16,20,24,28)

The diagram shows a formation of seven skydivers. Two are in the center, facing each other with their heads up. They are connected to four other skydivers who form a rectangular shape around them, also with heads up. The skydivers are represented by blue outlines with yellow circles for heads.
