

12 Mixed Star

(1,5,9,13,17,21,25)

Detailed description: A top-down diagram of a Mixed Star formation. Two skydivers are positioned horizontally, facing each other. The skydiver on the left is yellow, and the one on the right is red. Both have their arms extended outwards and upwards, forming a star shape. The skydivers are connected at their hands.

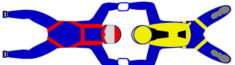

(inter)

Both:
Back
Loop
180°

Detailed description: A diagram showing the transition for formation 12. Two skydivers are shown in a back loop position, with their heads pointing towards each other. A yellow arrow indicates a 180-degree rotation. Text next to the diagram reads 'Both: Back Loop 180°'.

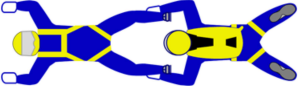

Mixed Star

(2,6,10,14,18,22,26)

Detailed description: A top-down diagram of a Mixed Star formation, identical to the one above but with the skydivers swapped: the one on the left is red and the one on the right is yellow.

Q Mixed Cat

(3,7,11,15,19,23,27)

Detailed description: A top-down diagram of a Mixed Cat formation. Two skydivers are positioned horizontally, facing each other. The skydiver on the left is yellow, and the one on the right is red. Both have their arms extended outwards and upwards, forming a cat-like shape. The skydivers are connected at their hands.

K Belly Star

(4,8,12,16,20,24,28)

Detailed description: A top-down diagram of a Belly Star formation. Two skydivers are positioned horizontally, facing each other. The skydiver on the left is yellow, and the one on the right is red. Both have their arms extended outwards and upwards, forming a star shape. The skydivers are connected at their hands.
