

G Cataaccord

(1,4,7,10,13,16,19)

A diagram showing 19 stylized human figures arranged in a horizontal line. They are connected in a chain, with some figures having their arms raised and others having their arms down, creating a wave-like pattern.

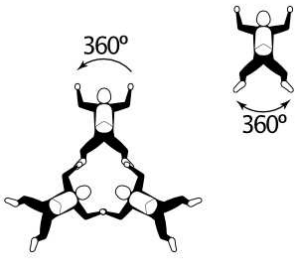

4 Monopod

(2,5,8,11,14,17,20)

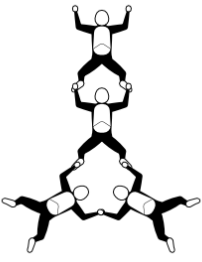

A diagram showing 20 stylized human figures arranged in a vertical stack. The top three figures are standing on their feet, while the bottom 17 figures are standing on their hands, forming a monopod structure.

(inter)

A diagram showing 20 stylized human figures arranged in a vertical stack. The top three figures are standing on their feet, while the bottom 17 figures are standing on their hands. Two 360-degree rotation arrows are shown, one above the top figure and one below the bottom figure, indicating a full rotation.

Monopod

(3,6,9,12,15,18,21)

A diagram showing 21 stylized human figures arranged in a vertical stack. The top three figures are standing on their feet, while the bottom 18 figures are standing on their hands, forming a monopod structure.
